**WWW.CARLISLEMONTessori.COM**

# Buzzy Bees

JUNE 3 - 14

Students will learn about  
pollination and how honeybees  
make honey.

## PROJECT

- Each child will paint and decorate their own Bee Hotel to take home.

# Life in the Amazon - Venezuela

JUNE 17 - 28 \*

Children will explore the amazing Amazon life. They will learn about the animals, rainforest, and canopies.

## PROJECT

- **Students will create their very own Amazon Book.**

\* School is Closed on Wednesday June 19 in observation of the Juneteenth Holiday.

# Mighty Oceans and Volcanoes

July 8 - 19

This session we will learn about our fascinating Oceans and Volcanos that rise from them.

## PROJECT

- Campers will learn about the parts of a Volcano and make a volcano to take home.

# Drumming Around the World

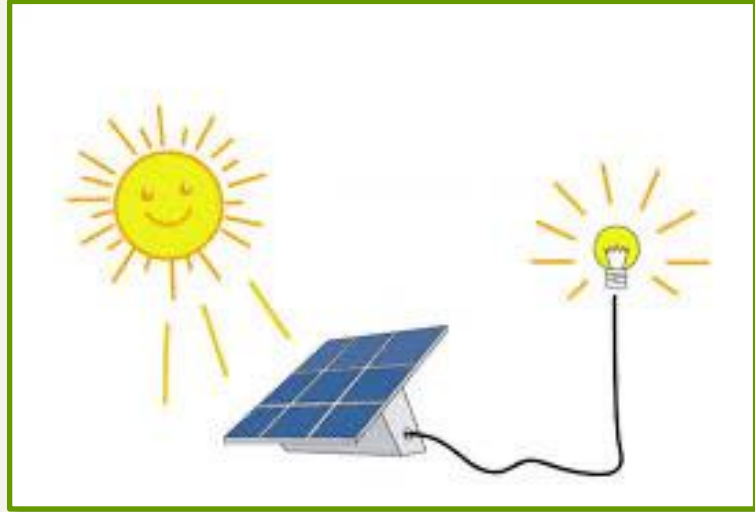

July 22 - August 2

Let's learn about the history of drumming in many countries and the cultural differences.

## PROJECT

- **At the end of this session, we will make our own beautiful drum.**

# The Power of the Sun

August 5 - 9

What is the sun and what does it do for us? How can we use the power of the sun in our everyday life?

## PROJECT

- Campers will make a fun SUN wall art and participate in sun experiments.
