AGES 3 - 7

(Campers must be fully independent in the bathroom.)

CAMP THEMES:

- I. Dance Around The World
- II. Miraculous Bugs
- III. Cats, Big and Small
- IV. The Story of Art
- V. Earth and the Solar System

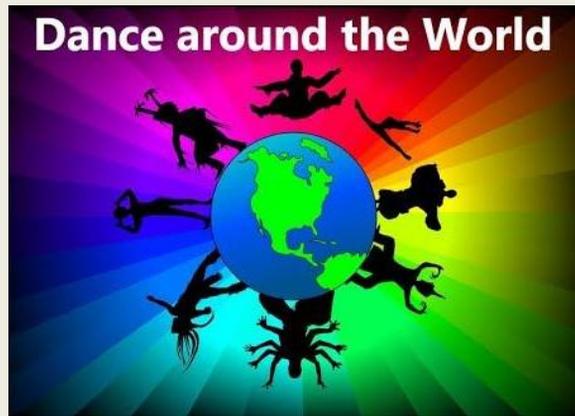

Each camp includes cooking, gardening, music, outdoor play, waterplay and art projects.

REGISTER NOW!

Reserve by April 1!

I. Dance Around The World

June 1 - 12

Join us to learn about and experience a variety of cultural, classical, and modern dance styles.

PROJECT

- In addition to watching performances, participants will have the opportunity to create their own tambourine or ribbon movement wand.

II. Miraculous Bugs

June 15 - 26

Learn about the many bugs found in Georgia backyards and the vital roles they play in our food supply and environment.

* Closed on Juneteenth Day 6/19

PROJECT

- Participants will also learn how to build their own backyard "Bug Hotel."

III. Cats, Big and Small

July 6 - 17

All cats are intelligent, curious, and fierce creatures.

We will explore both big cats, like the mighty lion, and the small cats that share our homes. What are the differences and similarities between the two?

PROJECT

- **Participants will create a fun Cat Mask for Feline pretend play.**

IV. The Story of Art

July 20 – 31

**When and where did art begin?
What was its original meaning,
and how has it changed over
time?**

PROJECT

- **Participants will learn about many types of art and paint your own canvas based on your favorite artist or style.**

V. Earth and The Solar System

August 3 - 7

Let's learn about Planet Earth and our vast Solar System. We will discuss the Milky Way and the latest in space travel.

PROJECT

- **Participants will create their own Solar System mobile.**
